Payment options
We accept payment by direct debit, bank transfer, childcare vouchers and tax free childcare (**TFC** - 20% reduction in the fees you pay up to £2000 saving per year
https://www.gov.uk/tax-free-childcare)

Government Funding Info **

Fees for funded hours
Government funding is intended to deliver 15 or 30 hours a week of high quality, flexible childcare. It is not intended to cover the costs of meals, other consumables, additional hours or additional activities, however, while there are no mandatory charges attached to the funded hours, we kindly ask families to pay a voluntary £2.50 per hour consumables contribution to cover things not covered by funding including snacks, consumables, online learning journeys and our parent app that allows you to see all invoices, payments, and communications including pictures from your child's day at preschool. For those unable to pay or wishing to opt out of these charges, our alternatives policy can be discussed with nursery management.
See tables above for fees payable for our more popular sessions. Fees related to 15/30 hour funding include extras and consumables which are fully included in our regular fees.

Funding loop - We use a system called funding loop to process government funding claims electronically without the hassle of having to fill in paper forms each term. When your child becomes eligible for funding we will send out invite emails for you to complete the necessary form. (https://www.fundingloop.info)

Working parent funding for 9mth -3 yr funding (30 hours funding) - There is funding available from the school term after your child is 9 months old if parents are working. This is 30 hours per week of funding. We try to be as flexible as possible with the funding and allow you to take any sessions you require subject to our normal fees and we spread the funding evenly over the days you attend. If you are eligible for the funding and attend at least 30 hours per week you will save over £7000 per year. To check if you are eligible for the extended 30 hour funding visit: https://www.gov.uk/apply-free-childcare-if-youre-working

3 year old Government Funding (15 hour funding)
Even if you are not eligible for working parent funding all children are eligible for 15 hours per week of government funding from the school term after they turn 3.

2 yr (FEET) funding - Some 2 yr old children are eligible for 15 free hours of government funding the school term after they turn 2. We accept this funding and have a limited number of spaces available at no charge for those eligible. For more information see: (https://www.surreycc.gov.uk/children/support-and-advice/families/childcare/paying/funded-early-education-for-2-year-olds) and if you are eligible let us know. Like 3 yr and working parent funding this can be applied as 15 hours term time.
